Carolyn Chapman
Differentiated Instructional Management: Work Smarter, Not Harder

September 18, 2009

Watkins Room
Registration: 8:00 - 8:30
Presentation: 8:30 - 12:00

Carolyn Chapman is an international educational consultant, author, and teacher. She has authored and coauthored many bestselling educational publications on differentiated instruction, multiple intelligences, and the brain-compatible classroom. In this exciting seminar, Chapman will address how to effectively manage each aspect of a differentiated classroom in order to provide instruction that meets the needs of every student. All teachers new to differentiated instruction, as well as veteran teachers experienced in using this approach, will want to attend!

Mike Schmoker
Results Now

October 30, 2009

McAlister Auditorium
Registration: 8:00 - 8:30
Presentation: 8:30 - 12:00

Dr. Mike Schmoker is the author of *Results: The Key to Continuous School Improvement* and *Results Now: How We Can Achieve Unprecedented Improvements in Teaching and Learning*. In the last five years, Schmoker has trained and consulted in hundreds of districts across the United States and Canada. He will discuss conventional practices used in schools today and give a clear but simple agenda on how to create schools in which all students achieve at high levels! This seminar will be beneficial for all educators!

Janet Allen
Choosing What Matters: A Practical Guide to Improving Literacy

January 29, 2010

Watkins Room
Registration: 8:00 - 8:30
Presentation: 8:30 - 12:00

Janet Allen is an internationally acclaimed authority on literacy for students. She has written numerous best-selling books on literacy and received several teaching awards. A few of her books include: *Inside Words: Tools for Teaching Academic Vocabulary*, *Tools for Teaching Content Literacy*, and *On the Same Page*. This sought-after presenter will offer classroom-proven ideas and techniques that will empower you to improve literacy instruction in your own classroom and school!

The 2 Sisters
Comprehension, Accuracy, Fluency and Expanding Vocabulary

March 19, 2010

Watkins Room
Registration: 8:00 - 8:30
Presentation: 8:30 - 12:00

Gail Boushey and Joan Moser, known simply as "The Sisters," have enjoyed training teachers all over the world. Gail and Joan, authors of *CAFÉ in the Classroom: Helping Children Visualize Literacy Goals*, will share their assessment system that helps students understand and master different strategies used by successful readers. They will share how to set goals with students in individual conferences and how to develop small group instruction based on clusters of students with similar goals. If you teach reading, you will love "The Sisters"!
