

## CURRICULUM VITAE

Elizabeth Winter Holt, PhD, MPH

### EDUCATION

- 2010 **PhD, Epidemiology**  
Tulane School of Public Health and Tropical Medicine (SPHTM), New Orleans, LA  
Dissertation: "Social and Environmental Determinants of Asthma among Urban Children"
- 2005 **MPH, Environmental Health** (Environmental and Occupational Health)  
Yale University School of Public Health, New Haven, CT  
Thesis: "FEV1 (lung function) Decline in a Cohort of Isocyanate Exposed Workers"
- 2000 **BA, Environmental Science and Policy**  
Duke University, Durham, NC

### AREAS OF EXPERTISE

Chronic Disease Prevention • Lifestyle Medicine • Environmental and Psychosocial Determinants of Health & Well-Being • Health Research Methodology

### ACADEMIC / PROFESSIONAL APPOINTMENTS

- 2022-present **Associate Professor** (tenured)  
Department of Health Sciences, Furman University, Greenville, SC
- 2016-present **Assistant Professor** (tenure-track)  
Department of Health Sciences, Furman University, Greenville, SC
- 2015-2016 **Instructor**  
Department of Health Sciences, Furman University, Greenville, SC
- 2009-2013 **Senior Epidemiologist**  
Center for Health Research, Ochsner Clinic Foundation, New Orleans, LA.
- 2011-2013 **Adjunct Assistant Professor**  
Department of Epidemiology, Tulane School of Public Health, New Orleans, LA

### TEACHING

**Courses Taught** (all courses are undergraduate level unless noted)

- 2021-current Chronic Disease: Epidemiology and Prevention (HSC-300)  
Department of Health Sciences, Furman University, Greenville, SC
- 2018-2022 Public Health Seminar Series (HSC-075)  
Department of Health Sciences, Furman University, Greenville, SC
- 2017-current Research and Evaluation in the Health Sciences (HSC-201)  
Department of Health Sciences, Furman University, Greenville, SC
- 2016-current Wellness Concepts (HSC-101)  
Department of Health Sciences, Furman University, Greenville SC
- 2015-current Environmental Health (HSC-304)  
Department of Health Sciences, Furman University, Greenville, SC
- 2011-2013 Research Methods for Clinicians (professional lecture series)  
Graduate Medical Education, Ochsner Clinic Foundation, New Orleans, LA
- 2008-2009 Statistical Packages (SAS) for Data Analysis (graduate level)  
Department of Epidemiology, Tulane School of Public Health, New Orleans, LA

## New Courses Developed for Furman University

- 2024 HSC 202 Data Analysis & Presentation in the Health Sciences (HSC-202)  
\*pending final approval
- 2022 Health and Medicine in the Global Context (MXP-200, Study Away)  
Health Sciences / IACH (Institute for Advancement of Community Health)  
Furman University, Greenville SC
- 2021 Chronic Disease: Epidemiology and Prevention (HSC-300)  
Department of Health Sciences, Furman University, Greenville, SC

## Additional Courses Taught

- 2006-2011 Epidemiologic Methods II (graduate level)  
Department of Epidemiology, Tulane School of Public Health, New Orleans, LA
- 2004-2005 Introduction to Biological Sciences for non-majors  
Department of Biological Sciences, Quinnipiac University, Hamden, CT
- 2000-2002 Biological Science (Edna Karr High School, Teach For America) New Orleans, LA.  
Marine Invertebrate Zoology (instructor) and Tropical Ecology (assistant instructor)  
Duke University Talent Identification Program, Beaufort, NC and Costa Rica

## SCHOLARLY AND PROFESSIONAL ACTIVITIES

ResearchGate Profile: 47 publications: [https://www.researchgate.net/profile/Elizabeth\\_Holt8](https://www.researchgate.net/profile/Elizabeth_Holt8)

### Published Peer-Reviewed Manuscripts (32 total, 9 as first author)

†indicates work conducted as part of Holt, Furman-based research program \*indicates authorship by student mentee

1. Cass, AL, **Holt, EW**, Murr, S, Falcone, KA, Daniel, M., Gilchrist, A. University student perceptions of health and disease during remote learning in the COVID-19 pandemic. *Journal of American College Health*, (2022). 1-9.

### Refereed Conference Presentations (31 Oral and Poster Presentations)

\*indicates authorship by student mentee, †indicates work conducted as part of Furman-based research program

1. †**Holt EW**, Hirko G\*, Cass A, Slining M, The N, Cassidy J, Horhota M. *Using Institutional Data to Inform Strategic Planning Around University Health and Well-Being*. Poster Presentation. Conference of the American College Health Association, Atlanta, GA. June 2024
2. †**Holt EW**, Woo L\*, Cass A, Slining M, Dhyne P. *A Review of Peer Health Education Programs Delivered in the University Setting: What Works, What Doesn't, and What Research is Still Needed?* Poster Presentation. Conference of the American College Health Association, Boston, MA, June 2023
3. †**Holt EW**, McKinnon H\*, The N, Delfino M, Weeks C, Hunter M. *Leveraging partnerships between academic institutions, clinical care entities, and community outreach groups to slow COVID-19 spread amongst underserved populations*. Selected Oral Presentation: Conference of the South Carolina Public Health Association (APHA), Myrtle Beach, SC, March 2022.
4. The NS. Slining MM, Cass AL, Criss S., **Holt EW**, Reed J. The Public Health Major at Furman University. *Conference of the American Public Health Association (APHA), Denver, CO*. October 2021.
5. †Banerjee R, Roper D, Grant L, **Holt EW**, Grisham M, Kolarik R, Eastburn K, Dusenbery B. *Getting the Fax Straight: Improving the SC Quitline Referral Process*. Poster Presentation. South Carolina Chapter: American Academy of Pediatrics. August 8-11, 2019, Asheville, NC.
6. †Cass A, **Holt EW**. *Increasing the Impact of Health Education in the College Setting through Enhanced Understanding of the Health Beliefs and Priorities of Young Adults*. Oral Presentation. South Carolina Public Health Association. April 24, 2019, Myrtle Beach, SC.
7. †Park H\*, **Holt EW** *Is Perceived Cardiovascular Risk Associated with Biochemical Markers or Self-Rated Health Among College-Aged Adults?* Poster Presentation. Greenville Health System Health Science Research Symposium. Greenville, SC, April 2019.
8. †**Holt EW**, Pearce J\*, Bright A, Park H, Best N, Delfino M. *Does the Presence of Children in the Home Affect Smoking Rules and Behaviors? A Study of Clinic Patients Living in the Rural South*. Poster Presentation. Conference of the American Academy of Health Behavior (AAHB). March 11, 2019. Greenville, SC.

9. †**Holt EW**, Cass A, Park H\*, Criss S, Frazier K, Murr S. *Does Perceived Cardiovascular Risk align with Actual Risk in College-Aged Adults? Poster Presentation.* Conference of the American Academy of Health Behavior (AAHB). March 10, 2019, Greenville, SC.
10. †Park H\*, Cass A, **Holt EW**. *Is Perceived Cardiovascular Risk Associated with Biochemical Markers or Self-Rated Health Among College-Aged Adults? Poster Presentation.* Second annual SoCon Undergraduate Research Forum (SURF), November 4, 2018, Wofford College, Spartanburg, SC
11. †**Holt EW**, Luzynski M\*, Pearce J\*, Delfino M, Grant L. *Are We Asking the Right Questions? Screening and Counseling for Environmental Tobacco Smoke Exposure at a Federally Qualified Health Center.* Poster Presentation. Greenville Health System Health Science Research Symposium. Greenville, SC, April 2018.
12. †Lombard Q\*, **Holt EW**, Quinn J. Poster presentation. *Is utilization of campus green space associated with better health and quality of life among college students?* Natural Capital Symposium. Stanford University March 2018.
13. †**Holt EW**, Cass A, Criss S, Christensen C\*, and Burges M\*. *Patterns of Dyslipidemia among College Students Reveal Opportunities for Chronic Disease Risk Reduction.* Poster presentation. Conference of the American Public Health Association, Atlanta, GA. November 2017.
14. †Luzynski M\*, Davis H. **Holt EW**. *Using GIS Mapping to Explore Regional Variation in Elevated Blood Lead Levels among children and Adults Living in South Carolina.* Poster Presentation. Second annual SoCon Undergraduate Research Forum (SURF), October 28, 2017, Spartanburg, SC.
15. †Luzynski M\*, Davis H. **Holt EW**. *Does Living in a Food Desert Increase the Risk of Elevated Blood Lead Levels from Housing-Based Exposures?* Poster presentation. Second annual DHEC Health Data Symposium, Oct 5, 2017, Columbia, SC.
16. †Luzynski M\*, Davis H. **Holt EW**. *Are there Geographic or Site-Specific Trends in Adult Elevated Blood Lead Levels in South Carolina?* Poster presentation. Second annual DHEC Health Data Symposium, Oct 5, 2017, Columbia, SC.
17. †**Holt EW**, Luzynski M., Davis. *Screening for Elevated Blood Lead Levels among South Carolina Children. Invited speaker (oral presentation).* South Carolina Public Health Association May 23, 2017, North Charleston, SC
18. **Holt EW**, Muntner P, Joyce CJ, Webber LS, Re R, Krousel-Wood MA. *Stressful Life Events and Antihypertensive Medication Adherence among Older Adults.* AHA 51<sup>st</sup> Cardiovascular Disease Epidemiology and Prevention Conference, March, 2011.
19. **Holt EW**, Muntner P, Joyce CJ, Webber LS, Krousel-Wood MA. *Health Related Quality of Life and Antihypertensive Medication Adherence among Older Adults.* Poster Presentation- Abstract # P214; Session "Quality of Life". AHA 50<sup>th</sup> Cardiovascular Disease Epidemiology and Prevention Conference, March 3, 2010.
20. **Holt EW**. *Social and Environmental Determinants of Asthma among U.S. Urban Children.* Tulane University Fall 2008 Epidemiology Seminar Series. New Orleans, LA., August 2008.
21. **Holt EW**. *Allergen Exposure, Sensitization & Asthma Morbidity among Inner-city asthmatic children in New Orleans.* Tulane University Spring 2008 Epidemiology Seminar Series. New Orleans, LA.
22. **Holt E**, Iqbal, S., Rabito, FA. *Housing and Health: An Evaluation of the Impact of Asthma and Lead Knowledge Among Caregivers of Urban Children with Asthma.* Poster Presentation. U.S. Department of Housing and Urban Development (HUD) Healthy Homes Conference. Baltimore, MD, September 2008.
23. Rabito, FA, **Holt EW**, Lancaster, K. *Indoor allergen levels in a cross-sectional sample of New Orleans homes.* U.S. Department of Housing and Urban Development Healthy Homes Conference. Baltimore, MD, September 2008.
24. Rabito, FA, **Holt EW**, Iqbal, S. *The New Orleans Pediatric Asthma Study.* U.S. Department of Housing and Urban Development. Healthy Homes Conference. Baltimore, MD, September 2008.
25. **Holt E**, Iqbal, S, Leon, K, Rabito FA. *The New Orleans Healthy Home Project: Preliminary Findings.* Oral presentation. Conference of the Society of Environmental Geochemistry and Health, New Orleans, LA, July 2007.
26. **Holt E**, James, R., Rhodes, D. *Exposure to dampness and asthma symptoms in children: a meta-analysis.* Poster presentation. Conference of the American Public Health Association, Washington, DC, November 2007.
27. Rabito FA, **Holt EW**. *Childhood Asthma in the Inner-city: Exploring the Relationship Between Indoor Allergen Levels, Allergen-specific IgE, and Exacerbation of Asthma.* Poster Presentation.

Conference of the American Academy of Allergy, Asthma and Immunology (AAAAI), Philadelphia, PA, 2007.

28. Rabito FA, Iqbal S, **Holt E**, Grimsley, F, Scott S. *Regional variation in dust allergen levels in the homes of inner-city children with asthma*. Poster Presentation. Conference of the American College of Epidemiology (ACE), Ft. Lauderdale, FL, September 2007.
29. Rabito, FA, **Holt E**, Iqbal, S, Lefante, J. *Epidemiologic Challenges in a post-disaster environment*. Oral presentation. Conference of the American Public Health Association, Washington, DC, November 2007.
30. **Holt E**, Stowe M, Sircar K, Liss D, Redlich C. *Longitudinal FEV<sub>1</sub> change in a cohort of isocyanate exposed workers*. Poster presentation. Conference of the American Thoracic Society, San Francisco, CA, May 2006.
31. **Holt E**. *Toxic chemical exposure and neighborhood change: Characterizing risk in New Orleans using GIS*. Poster presentation. Conference of the American Public Health Association, Philadelphia, PA, December 2005.

### Other Publications

Holt, Elizabeth "Unstable Foundations – The Future of New Orleans Public Housing " *P.H.: Yale Journal of Public Health* (Web Version), Spring, 2007.

### GRANTS AND FELLOWSHIPS

- Fall 2024     Mechanism: Furman Student Teaching Fellowship  
Title(s): *Research and Evaluation in the Health Sciences (HSC-201)*  
*Data Analysis in the Health Sciences (HSC-202) \*course development*  
Role: Faculty mentor to HSC Furman student teaching fellow
- Spring 2024     Mechanism: Furman Student Teaching Fellowship  
Title: *Research and Evaluation in the Health Sciences (HSC-201)*  
Role: Faculty mentor to 2 PBH/HSC Furman teaching fellows
- Summer 2022     Mechanism: Furman Summer Research Fellowship  
Title: *A Review of Peer Health Education Programs Delivered in the University Setting*  
Role: Principal Investigator
- Summer 2020     Mechanism: Furman Teaching Fellowship  
Title: *Public Health and Medicine in the Global Context (new course development)*  
Role: Faculty mentor to 2 pre-med Furman teaching fellows for course development
- Summer 2018     Mechanism: INBRE Faculty Fellows Program  
Title: *Assessing the Feasibility of a Clinic-Based Family Tobacco Cessation Intervention*  
Role: Principal Investigator
- Summer 2018     Mechanism: Furman Summer Research Fellowship – 2 students  
Title(s): 1) *Perceived Cardiovascular Risk and Patterns of Dyslipidemia*  
2) *Feasibility of a Clinic-Based Family Tobacco Cessation Intervention*  
Role: Principal Investigator
- Spring 2018     Mechanism: Furman Research Proposal Grant  
Title: *Reducing Tobacco Smoke Exposure among South Carolina Children*  
Role: Principal Investigator
- Summer 2017     Mechanism: Furman Summer Research Fellowship (Furman Advantage)  
Title: *Utilization of Green Space and Quality of Life among College Students*  
Role: Principal Investigator

- 2005-2011     Mechanism: NIH/NIA (NIH - R01 AG022536)  
Title: *Cohort Study of Medication Adherence in Older Adults*  
Role: Senior Epidemiologist (Principal Investigator, MA Krousel-Wood MD, MSPH)
- 2006-2009     Mechanism: HRSA Maternal and Child Health Bureau (HRSA-5-T03-08-001)  
Title: *MCH Doctoral Training Program: Social and Environmental Determinants of Asthma among a Cohort of U.S. Urban Children*  
Role: Research Fellow (Principal Investigator, J Magnus PhD)
- 2006-2008     Mechanism: U.S. Department of Housing and Urban Development (LAHHO138-05)  
Title: *New Orleans Home Health Hazard Assessment Study*  
Role: Research Fellow (Principal Investigator, FA Rabito PhD)
- 2007-2009     Mechanism: PEW-RAND Gulf States Policy Institute  
Title: *New Orleans Environmental Health Study*  
Role: Research Fellow (Principal Investigator, FA Rabito PhD)

**Submitted Research Grants (not funded)**

- 2018-2019     Mechanism: GHS Health Sciences Seed Grant: Transformative Medicine  
Title: *Implementing a Clinic-based family tobacco cessation intervention in Upstate SC*  
Role: Principal Investigator (Co-investigators: L. Grant, MD, K. Cease, MD, MPH)
- 2011-2016     Mechanism: NIH/NHLBI (NIH-R01 HL096777-01)  
Title: *An Intervention to Increase Physical Activity in Diabetic Patients (IPAD)*  
Role: Co-investigator (Principal Investigator, Marie Krousel-Wood MD, MSPH)
- 2012-2014     Mechanism: NIH/ NIA (NIH- R03, 11065468)  
Title: *Spatial Analysis of Factors Associated with Blood Pressure Control in Older Adults*  
Role: Principal Investigator
- 2012-2014     Mechanism: National Association of Chain Drug Stores Foundation  
Title: *The Impact of Community Pharmacist-Provided Medication Management in Medical Homes or Accountable Care Organizations*  
Role: Co-investigator (Principal Investigator, Marie Krousel-Wood MD, MSPH)

**Completed Translational Research Projects: (Funding Provided by Ochsner Clinic Foundation)**

- 2013: Provider Satisfaction with the EPIC Electronic Medical Record: A Pre-Post Comparison
